### [nclegalfeedingfrenzy.com/feeding-frenzy-contest-rules/](http://nclegalfeedingfrenzy.com/feeding-frenzy-contest-rules/)

The following explains the rules for participation in the North Carolina Bar Association Young Lawyers Division ("NCBA YLD") Legal Feeding Frenzy competition to benefit Feeding the Carolinas.

The premise is simple: each team competes to provide as much food and funds to benefit their local Feeding America Food Bank. Attorney General Josh Stein will present the coveted "Attorney General's Cup" to the team that collects the most food, calculated using a team's average amount of food donated per person.

Winners from the following categories will also be calculated using a team's average amount of food donated per person:

- Sole Proprietor** (consisting of 1-10 employees)
- Small Firm** (consisting of 11-50 employees)
- Medium Firm** (consisting of 51-100 employees)
- Large Firm** (consisting of 101 or more employees)
- Law School**
- Public Interest/Government** (Government agency, non-profit, public defender, etc.)
- Corporate/In-House Counsel**

### Contest dates:

The contest runs from March 1st - March 30, 2019. Any money or food donated before March 1st or after March 30th shall not be counted in the competition.

### Determining Division and Team Size:

#### Sole Proprietor; Small, Medium Large Firm Divisions

When counting the number of employees, each person, including each non-attorney, working at the firm should be included. Law firms with multiple office locations will compete as a single entity for awards; however, each office may register separately.

#### Law School Division

All North Carolina law schools shall compete in a single category, regardless of size

#### Public Interest/Government Division

The Public Interest/Government Division shall include all public interest law firms and organizations, government agencies, non-profit organizations, courts, the public defenders' and district attorneys' office, and the attorney general's office

#### Corporate/In-House Division

Corporate and in-house legal departments shall compete in a single category, regardless of the size of the organization or its legal department.

### Registration:

All teams must register for the NCBA Legal Feeding Frenzy by completing the required Registration Form at <http://nclegalfeedingfrenzy.com>. Teams with multiple offices throughout the State may register separately, designating an

All registrations should include a "contact person" who NCBA YLD Legal Feeding Frenzy organizers may contact if necessary.

As part of this year's drive, we are asking all participating offices to create their own online fundraising page. ## NORTH CAROLINA LEGAL FEEDING FRENZY COMPETITION RULES 2019

### Donations:

Total pounds of food donations are calculated from two sources: (1) physical food items and (2) monetary contributions.

- Monetary contributions are a great way to multiply your donation! For every dollar contributed, a team will receive credit for four pounds of food. Monetary donations may be made via your team online fundraising page or by cash and check.
- All physical food item donations will be weighed upon receipt by the local Feeding America Food Bank. The weight will be added to the team's score. Bonus pounds, totaling 25% of the total weight donated, will also be awarded if the team delivers the items directly to the local Feeding America Food Bank. When a physical donation is made, the In-Person Donation Form must be completed and submitted to Feeding the Carolinas along with the donation. In-Person Donation Forms are available at each of the local Feeding America Food Banks.

### Physical Monetary Donations:

Monetary donations may also be made by cash or check directly to your Feeding America Food Bank. To insure your donations are credited properly to the LFF, please contact your food bank to arrange a time for your team to deliver the donations along with your LFF In-Person Donation Form. Checks should be made out directly to your local food bank. All donations must reference both the team's name and "NC Legal Feeding Frenzy" to ensure proper credit. The In-Person Donation Form must be completed and submitted with each donation drop-off.

### Online Monetary Donations:

As part of this year's drive, we are asking all participating offices to create their own online fundraising page. Within 48 business hours of registration, the contact listed will receive an email invitation to create an online fundraiser for the firm/office. Then, after customizing your page, share the link to your page with teammates, friends, and family and encourage them to join your effort to help more neighbors in need.

All Legal Feeding Frenzy related donations will be processed through Second Harvest Food Bank of Metrolina and will be distributed to the Food Bank your team chooses during registration.

### Food Donations:

All food donations must be delivered to your local Feeding America Food Bank. All donations must reference both the team's name and "NC Legal Feeding Frenzy" to ensure proper credit. The In-Person Donation Form must be completed and submitted with each donation drop-off.

The following types of items will not be counted as part of a team's total pounds of food: candy, alcohol, perishables.

Please do not contribute food items in glass containers as they have a high risk of breakage. Please do not open items that are already packed in cases, cartons, or boxes. This will make it easier for the local Feeding America Food Bank to pick up, if pick-up is required.

If pick-up of physical food items, or cash or checks, is required, a team's contact person should schedule the pick-up directly with the local Feeding America Food Bank and in time for the pick-up to occur before the end of the competition. While scheduling the pick-up, it is very important that you tell the Food Bank the approximate amount of food you have collected in order for their transportation department to prepare properly. If your team only has monetary contributions, please see above.
